This illustration shows a Royal Canadian Air Force CH-130 helicopter in three views: side, top, and bottom. The side view is at the top, showing the helicopter's profile with '630' and 'RESCUE' in large red letters on a blue background. The top view is in the middle, and the bottom view is at the bottom. The helicopter is primarily blue and red, with '630' and 'RESCUE' markings. It features a Canadian flag on the tail and a star on the nose. A legend indicates yellow and black colors for the tail rotor blades.
